### Report on Weekend Away to Nottingham

Nottingham proved to be a great destination combining good courses with city centre nightlife and a good hotel.

The weather was mostly dry with a couple of flash showers. All courses were dry underfoot draining quickly after showers.

The Ryder Cup format on the first three days was a 4BBB head to head and 2 x 3 Balls scoring 1 2 3 with the total points used to decide the winner. A close first three days saw Mike's team win all the 3 balls and Rob's all the 4BBB making the score going into Day 4 all square at 3:3. Day 4 saw Rob's team win the singles convincingly taking 4 ½ points to win the Ryder Cup 7 ½ :3 ½ Mike Davidson won the WAT for a second time.

All in all despite a low turn out the trip went very smoothly and a big thanks to all involved in organising.

### Next Day Out Thursday 26th October – Prestbury GC ( Revised was originally Friday 27<sup>th</sup>)

Playing for the Captains Trophy.

Please email Captain Rob if you would like to go. [robmclean7@live.com](mailto:robmclean7@live.com)

AGM date set to 8<sup>th</sup> November. SP will send a calling notice by separate email.

After a good chat it was concluded that a key objective of the AGM must be to find a way forward for the society following the poor support for this year's weekend away. What are the lessons learned? Should we set a minimum "deposit paid" number before committing deposits to courses and hotels?

Meeting Closed 9.22pm
