20th April – Cavendish Buxton

Cavendish Buxton is set in the glorious Peak District on the Derbys/Cheshire border. The course has retained virtually all of the features present in Mackenzie's original design, making full use of the lay of the land. Not long by modern standards, it requires accurate play to the demanding greens, which have left many visitors longing for a return.

Golf 100 states it is one of the best courses under 6,000 yds and the club tag line is '*The course that inspired Augusta*' bold claim indeed...

We will be competing for the Rose Bowl & Pairs with Colm Butuex defending the Rose Bowl and Colm along with ACS defending the Pairs Trophy. The cost inc. 2's is £75.
