## 25<sup>th</sup> March – Vale Royal Abbey

A one-time 13<sup>th</sup> Century abbey, a 15<sup>th</sup> Century stately home and a 20<sup>th</sup> Century head office to a global chemical company... Vale Royal Abbey Golf Club has led a long and interesting life prior to 1998 when it became the golf course we know and love.

In March we will be re-visiting a favourite of TAGGS (we last played here in 2018) nestled in the heart of the Mid-Cheshire countryside. A 6,450-yard par 72 course, designed by Simon Gidman, VRAG is an exquisite parkland course. With difficult but well manicured greens and the backdrop on the 18<sup>th</sup> worthy of any tour course. VRAG is in the category of one NOT to miss out on.

We will be competing for the Jubilee Trophy with Ian Milligan defending the trophy. The cost inc. 2's is £65.
