

Introducing your Captain for 2027 Jim Goldthorpe

Jim was born in Scotland, married in Wales and has lived in Grappenhall since 1997. Jim is an organiser of the Kilterman society of golfers as well as playing for TAGGS. In fact, that is how he got to know of TAGGS through playing with the likes of Mick Metcalfe, who introduced him to his first day out with us in 2023, and he joined as a full member in 2024.

Jim says the banter, camaraderie, variation and inclusion within the society is one of its main features. Now retired he wants to play as much golf as he can and with having some spare time on his hands feels he can now offer his services to our cause in 2027. He is looking forward to working with Duncan in 2026 and hopefully he will be able to plan & organise a year for us in 2027. Looking forward to it already Jim.
