### Last Day Out

We played at Macclesfield for the Sharpy Shield and Pairs (9-ball am). Course was in fantastic condition, greens were amazing and we were well looked after. Mike Davidson won the Sharpy Shield and Ian Milligan/Daz Roberts the pairs.

### Next Day Out

#### Fri 18<sup>th</sup> Aug – Bramhall GC

Playing for the Summer Trophy won in 22 by Ira Washer & The Scratch Trophy won in 22 by Rob McLean. Rob has passed the trophy to John Owen as he is unable to make Bramhall.

Breakfast/18-holes/2-course dinner - **Costs £65/head**

10-45 breakfast, 11-40 1<sup>st</sup> tee.

Presently we have 25 confirmed as going, including a 4-ball entered by the charity we are supporting this year, 1000 hearts for Harry. There will be raffle prizes and donation of prizes welcome (Andy Henshaw has kindly given me a bottle of Scotch to donate... if I don't drink it)

### WEA Update

- Format discussed and agreed

Fri & Sat – Pairs better ball, Sunday – Singles

Tosh showed off a sample of the mid layers ordered; they should be arriving in next few days he will ensure they are with the group. He was thanked for his efforts.

A correction to details in latest edition of TAGGS-Line, I got it wrong, we are playing the Lansdowne course not Rosemount at Blairgowrie. Both have been used in PGA tournaments and local comps so quality not an issue.

Room share sorted and sent out to the group – RMc to sort with hotel

Sat/Sun food sorted and sent out

Goody bags sorted by Picky

If the group wish to bring a bottle of something to hand out as prizes, that would be great.

Requested that all payments are up to date asap, John to sort out issues with payments to his account and not TAGGS. **ALL PAYMENTS FOR WEA GO TO TAGGS ACCOUNT**

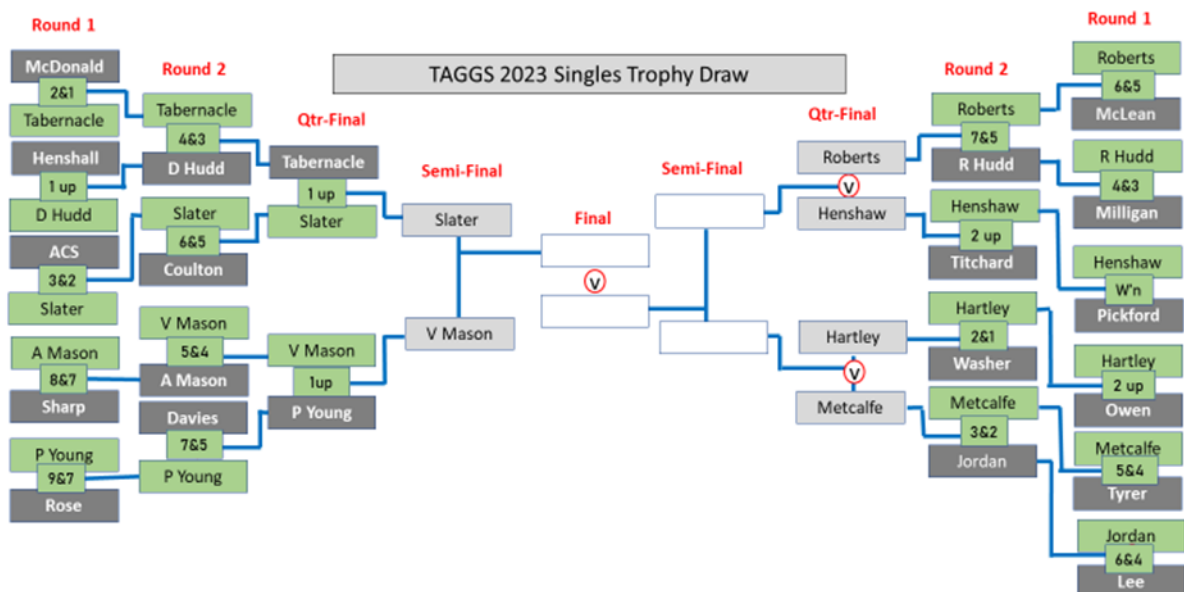

### Chairman

As reported, Steve Pickford wishes to step down at the AGM this year and means we need to find a new Chairman. As yet we have had no interest. In the meeting we had Denis and ACS expressed they would like to put their name in the hat and Gyum said he is happy to step in if either Chair or Secretary not able to make meetings – as he has in the past.

Anyone else interested let your committee know.

### Singles Cup

We have one SF sorted (Slater/Vinny on 11/8 @ High Legh), Daz/Andy play next week and Mick/Nige at Bramhall day out) to complete the QF's. Competition running a couple of weeks late, but not too bad.

### Charity

Picky wanted to state we need to support our Captain's Charity at Bramhall and ensure we have £10 each for raffle tickets and bring a small prize for the raffle. As we will meet n greet our charity team would be nice to show ourselves in a good light.

### NP/LD handicap split

Rick stated that the usual split of 13+ and 12 & Under for the prizes is not working for a couple of reasons, and that last day out the only 12 & under was Tony and so hitting the green and fairway he won both as he had no competition.

He said he is happy to work on the split (be it 40/60, 50/50 etc...) and inform the captain so he can tell the group prior to going out.

### Local Opens

Dan Dunn – Reddish Vale, Senior Open, (55yo +) £80/4-ball 10<sup>th</sup> October.

Mark Tyrer – Birchwood Pairs Open £20/person 10 September (only 5 spots left to fill – if interested check their website)

Meeting closed 9-22pm
