For his Captain's Day, Duncan Yellen has us visiting another county to play in, Yorkshire. Woodsome Hall GC situated just south of Huddersfield is a par 71 course steeped in history. The 15th Century listed clubhouse is the centre piece to a stunning course and exceptional choice to have as our final day out in 2026. The club has 8 twin bedrooms and could well be used by TAGGS to make an evening of it.

We have three trophies on offer. The culmination to the season being the Race to Woodsome, won at Porthmadog by Steve Coulton, The Captain's Trophy held by Rob Slater and The Scratch Trophy with it's usual owner Denis McDonald bringing that one along... to probably take back home later

Costs inc 2's is £75
