	Near Pin	Ray Lee	No Change/Buffer	
	Longest Drive	Dave Exley	Shots Lost	
	2's	none - Rolled Over	Shots Gain	

## Mick Metcalfe wins back-to-back at Oswestry

Duncan took us to Shropshire for our June day out as we visited Oswestry GC. The weather was not looking great in Warrington, but for once we dodged the weather and the course looked and played splendidly. A tree lined course with fantastic greens Oswestry had a lot to offer.

Group 1 consisted of Duncan, Rick and new member Adam Jude. Safe to say that if the winner was coming from one of these three then the daily average would be an all-time low!! Mike Davidson in group 2 came in with 32 points and was the club house leader by some way- and was beginning to think he may have a chance. Then last day out winner Mick Metcalfe carded a 33 pointer and took over the leadership role. This wasn't to change as Jim Goldthorpe and John Davies also carded 32's a shot behind our winner. Another 9 POTY points to take him to the summit of the POTY table and another 1.8 shots off his handicap!!

Ray Lee had a round to forget, apart from a fine shot on the nearest the pin hole, and to sum up his round... missed the 2. In fact, nobody scored a 2, and the kitty will roll over to Bolton in July. Dave Exley won the longest drive hole.

Oswestry made us feel incredibly welcome with staff and members taking time out for us, the course was one of the best we have been to in recent years. The food was top notch, a fine fine choice Mr Captain, well done.
