Geoff Woods shoots 73 to lift Sharpy Shield...

TAGGS departed for Ringway GC on a hot, sultry day in August and witnessed a fantastic round of golf from Geoff Woods. Playing off an Index of 8.4, Geoff came home with an immaculate round registered a card of 73 gross with a stableford score of 43 points. Surely this meant two things...

1. He was going to lift the Sharpy Shield
2. Rick was going to sharpen his red pencil after the meal

It became apparent the rest of the group were playing for 2nd spot, and John Owen can feel a little hard done by with 38 stableford points and only finishing second. A round worthy of winning each day out so far in 2026, but he was beaten by Geoff's effort. Ray Lee also had a good day in the sun and came in third with 36 points.

After going two weeks without a two, we had two at Ringway. Denis McDonald and Geoff Woods picked up the rolled over amount. Geoff gaining his two from his nearest the pin hole (yes he won that too...) but he was out-muscled by Jim Goldthorpe on the longest drive hole.

It was one of the hottest days of the year and the course was in pretty good condition even with the recent lack of rainfall. They looked after us well and all enjoyed a good day out at a course within 15 miles of our base in Thelwall & Grappenhall.

WEA in Cornwall next – Sept 4-7, then the season finale at Woodsome Hall, Captain's Day on Oct 7th.
