	2's	Denis (2), Duncan Yellen Mick Metcalfe		Shots Gain

2027 Fixture List

Jim will announce our calendar
at the AGM on Nov 4th

Captain's Day saw the group venture over the Pennines to Woodsome Hall and what a course, clubhouse and day it was. Three trophies and a POTY play off all set under the eye of a clubhouse older the John Owen... First Trophy was The Scratch Trophy, which has been dominated by Denis McDonald in recent times. This year he held it spectacularly, with a majestic 72 gross on a tough course. Immaculate on the front 9 he was **-2** at the turn, finishing 2 over. Steve Coulton played well with a fine 80 (+10) but the Scratch Trophy went back with Denis.

The Race to... trophy was secured by Dan Dunn with a solid 33 points being the highest of the chasing 8 players who have qualified this year.

POTY had been so close this year that a play-off was required between Ray Lee and Geoff Woods. Neither lived up to their billing or the recent hackings took their toll... Geoff won the head-2-head 21-18 points... gripping if not quality golf.

The Captain's Trophy was handed over to Denis as a result of his majestic gross 72 he returned 40 Stableford Points and went back with 2 pieces of silver for his troubles.

A superb ending to a magnificent season... congratulations to Duncan Yellen, 2026 has been a good year for TAGGS and we look forward to 2027 with Jim Goldthorpe at the helm....watch out for that hill, Jim
