## AOB

### Warrington GC AM/AM golf day

- Tim Jordan requested we try to find 4 players who will take part
- £200/4 ball BBQ and drinks later
- Charity event
- Main prizes can only be won by players holding a club or Golf England handicap
- Other spot prizes (near pin etc..) available to all.
- As it is one of local clubs – would be good to raise the effort to enter at least one team.

### WEA Prizes

- Picky to sort prizes as discussed
- Can we ask for a bottle of something to be brought as prizes as well by attendees.

### WODAC – Charity Raffle at Gathurst

- Dil, wants to raffle a prize for his charity – I believe a signed Man Utd picture from yester year (when they were any good...)
- £1/ticket with all monies raised going to his charity
- In the modern no cash transactions, we request you bring a few quid for this as he is unable to take card, iPhone, watch or IOU's...
- **PLEASE BRING SOME HARD CASH**

### TAGGS Favourite Course

- In a random conversation on courses, we visited over the years
- The idea (via Dan Dunn – so blame him not me) of where is the favourite course we have visited over recent years?
- Then it transformed into a potential for the society to vote on courses played since 2013 (when I have records from) then taking the top 3 and playing them as part of our 40<sup>th</sup> Anniversary in 2024.
- It is not 100% certain, but a good idea to explore
- 2024 Captain usually chooses his venues so we will need their buy in once we have one.
- RS to send out full details and ask for the group to vote on their 3 favourite courses.

Meeting closed 9-22pm
