## Vinny gets into the Summer Vibe... at Bolton GC

The group travelled North in July and played Bolton GC and competed for the Summer Trophy. The weather was hot n sticky, and Mr Captain chose this day to try a longer day, with 11-hole comp in the morning and the main event in the afternoon. 29 holes, in the heat at our age... maybe not the greatest move!!

Dan Dunn proved successful in the morning comp could he perform the double and gain the Summer Trophy. He started well, 20pts at the turn and hitting it well, but faded on the latter holes and carded 32 pts. Maybe not enough... Colm Buteux came home with 33 and took the clubhouse lead, but he was pipped for the second time this year on CPO by Vinny Mason, who took the Summer Trophy home after being presented it by Duncan.

Steve Coulton secured the nearest pin hole – which was not an easy par 3, and Mick Metcalfe was the biggest hitter on show on the long drive hole. Strangely we recorded no 2's for the 2<sup>nd</sup> day out in a row and it rolls over again; the pot will be more than £100 at Ringway in August. Nice little pick up for someone.

The course (especially greens) was in good nick, the staff and members made us feel welcome at Bolton. The dinner afterwards was, once again, excellent. A nice big wedge of Lasagne and garlic bread... very cosmopolitan Duncan. *'Garlic Bread, garlic in bread, in Bolton'* well I never!!

Bolton was a good choice of venue, and another we will most definitely visit again.
