AGM

Nov 3rd has been confirmed as the date at Bell House
Meeting had no new AOB to discuss apart from 1 item below

If anyone has something they wish to discuss as AOB and wish for it to be discussed up front for answer at the AGM – contact Mr Chairman, Picky
Social evening after Captain's Day out? To be discussed over a drink at the WEA maybe Altrincham or back to Lymm/Stockton Heath etc... also discussed Xmas drinks as a society – to be confirmed and agreed also on WEA... will we have time to play golf?

Picky to send out an officers' list for potential if someone wishes to take on role on the committee

2022 WEA – Tosh asked if any proposals had been made for the WEA, to which nobody knew of one

He, Gyum and others are travelling up to Scotland in October and staying in St Andrews at a hotel. He will ask what pricing they can do for the WEA in 2022 as the hotel we have used up there in the past has gone all boutique and priced us out. He did say that because of its golf heritage the pricing will already be expensive so hotel costs will have to be kept to a minimum.

No other business

Meeting Closed 9-22pm
