16	Rick Hudd	16	1	1 (10.5)
Nearest Pin		Philip Young		No Change/Buffer
Longest Drive		Chris Youngs		Shots Lost
2's		Ray Lee		Shots Gain

16 Members and 2 guests travelled down to Vale Royal Abbey, and the weather in the horizon was not looking too bright. High winds, rain and even hail was forecasted and a hard day's golf. The group felt they got away with one as the winds were high but at least it stayed mostly dry. The course was in fantastic condition and the club looked after us tremendously.

The golf was not as tremendous… Group 2 consisting of Rick, Jim and guest Dave Linton all failed to register 20 Stableford points!!! Quality golf fellas. Group 3 brought in a likely winner in Colm Buteux, who carded a very impressive 33 points, and should have been more after a remarkable front 9 in what was the worst of the weather. Unfortunately, that back 9 was to cost him as Dave Exley matched his return but won a CPO. In the conditions 33 points was an excellent round.

Bizarrely nobody registered the average or even the buffer zone… a royal mix of the good, the not so good and the downright ugly… Therefore, the handicap secretary either added shots through gritted teeth or slashed away with his usual joy.

Ray Lee now tops the POTY and celebrated by winning the rolled over 2's pot of £84. Longest drive was won by Chris Youngs and nearest the pin was Philip Young… who then 3-putted to walk off with a bogey!!

Wind apart a great society course, club produced some of the finest food on a TAGGS day and we look forward to Cavendish Buxton in April.
