Report on Last Day Out

Captains report on the last day out at Hillside GC:

1. *Great attendance and very well supported event. I personally had lots of help and support from members and felt very welcomed on my first day out as captain.*
2. *Fantastic golf course. Extremely disappointing to be on temp greens but the recent very cold weather was the cause and despite my efforts something we could do little about. Reflected by the club in a further reduction in price from the already reduced rate. I felt this was fair.*
3. *The club were very appreciative of our business and attendance and I've had contact to say they were very pleased to have us on the day. There is room to negotiate with them. If this stays like this I think it would be a great venue for our society to return to at suitable times of the year. Opening day routine maybe ? It is clearly a place that will get good member / guest turnout.*

Chris Aston won the Memory Trophy with 39 points
