Fantastic tour, good courses excellent food and lots of fun had by all 4

Rick won the title after horrific day 1 score & performance.

Next years plan is Ireland (Killarney) – Rick to look into costs/dates etc...

Points from May Meeting

WEA

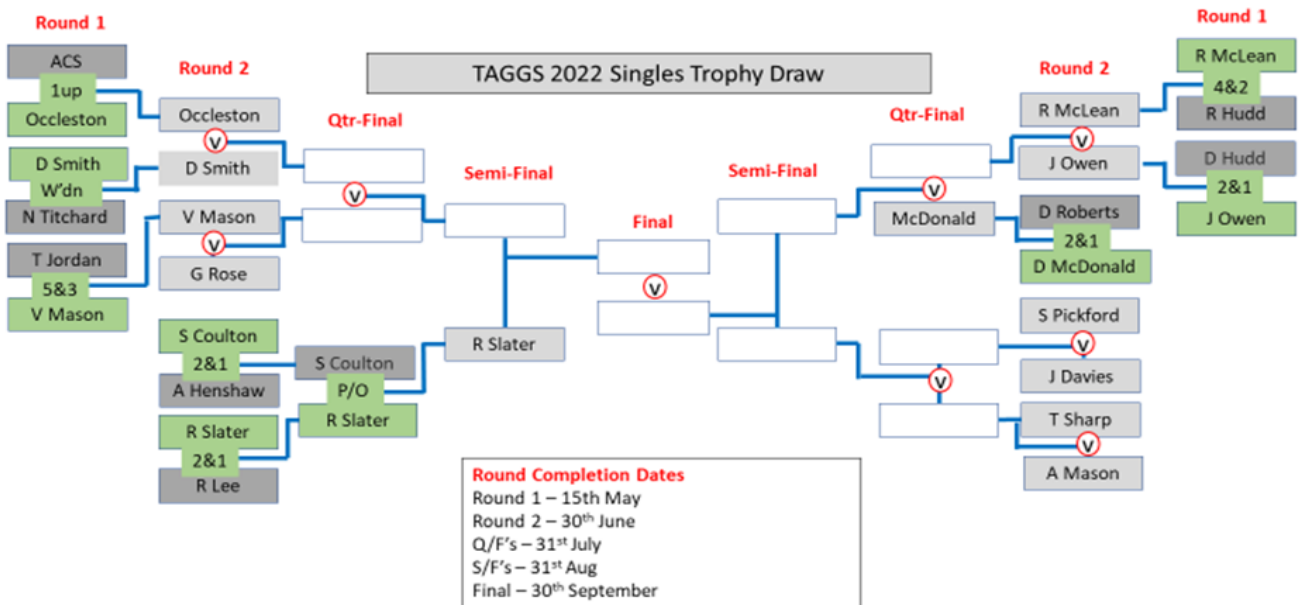

- RS now booked all restaurants for the Saturday evening
- Confirmation of payment by end of June please **(£325 in full by 30/6/22)**
- J Owen to send out full listing of payments
- Picky said there will be no golf played on Thursday before the WEA
- Rick has organised a 4-ball for the Monday if people wish to join with another 4-ball no issues but asks if you can sort yourselves.
- Team pick on our July day out at Gathurst

2023 Captain

- We have received no firm offers to stand as 2023 TAGGS Captain
- Time is running out to ensure decent year next year
- It does not need to be a 'New' Captain – if an old captain does fancy it, not an issue at all
- Fallback agreed – RS/Picky to select alternate venues for 23 if no captain by Aug 31st
- So if you don't want to play in rain every other day out & in/around Wigan the others – **get your name down for Captain please.**

2022 Singles Trophy

- All 1st round ties now completed – near enough on time
- The ask is... can we complete Round 2 by end of June please?
- Draw updated and on the website, and TAGGS-Line as below.
