Cost £85 inc 2's	18- Holes

26th Feb – Mere Golf & Country Club

Our 2026 season kicks off with a local jaunt towards Knutsford. Playing at Mere Golf & Country Club. 6,882 -yard, par-71 course at The Mere was designed by James Braid and created out of 150 acres of Cheshire parkland in 1934. Today, the Championship course holds the reputation as one of the best maintained and highest quality golf courses in the North of England.

For many years around the turn of the century, Mere was the home of the Howard Keel Classic, where many celebs and players joined for a charity day at the course. TAGGS has a member who as a teenager slept on the course after a night out and didn't quite make home. Not quite Walton Hall stories but an interesting fact all the same.

We will be competing for the Memory Cup which will be defended by Steve Occleston. The cost inc. 2's is £65.
