Near Pin		ACS		No Change/Buffer
Longest Drive		Dave Exley		Shots Lost
2's		ACS & Jim Goldthorpe		Shots Gain

Ocky Wins at Cavendish and celebrates with Ice Cream

26 Members and I guest drove over to the Peak District on a sunny if blustery Monday morning to play their April day out at Cavendish GC in Buxton. The group were met with a well manicured course resplendent in the Derbyshire sun. A few members have played here previously and reported it was well worth a visit and visually they were right.

The golf got under way and the first group had a contender in Dave Exley. His driving off the tee was superb and laid the foundations for a 33pt return and the early clubhouse lead. Having won at the last event at Vale Royal, could he do a Luke Littler and win back/back? Dave had to settle with a runner-up spot and more shots off his handicap as Steve Occleston (Ocky) romped home with a fine card of 34pts. Last years captain celebrated his success with a lasagne (as the chicken was too spicy for him... bless) and an extra scoop of ice cream on his Sticky Toffee Pudding... A monumental day of wins for the big man.

The Nearest Pin was won by ACS. As his group got to the tee there was a marker some 15-20 feet from the pin. Miraculously 3 of the 4 players in the group got inside the marker. ACS took the prize, being around 4-5 feet from the target. Dave Exley won the longest drive with the very first drive on the hole. Two people got 2's ACS on near pin hole and Jim Goldthorpe chipping-in to share the £52.

Cavendish was a huge hit, beautiful course and yet demanding in places. Hospitality was top notch and food was excellent. If ever there was a golf club set up for Society Golf, we just visited it.  
Great Choice Mr Captain
